

## **Keep the Menno Area Memories Alive!**

We need \$219,000 to build a 40-by-80-foot building on a lot located between Country Girl Floral & Hair by Loni. Thank you to the Menno Area Development Corporation who donated the lot.

**Why? It would cost \$135,000 to repair the foundations of the Schmitt & Preszler houses and to replace - windows and reside & paint the Schmitt house.**

**We need more space for future exhibits. Our current displays are from the late 1800's to the 1940's.**

**A new building will have all displays on ground level making it more accessible for peanople who have difficulty climbing stairs or who use wheelchairs for mobility.**

**How much money has been raised as of October 2, 2025?**  
***\$131,101.77***

**Through donations, memorial money, a monetary inheritance, and Menno Band Day concessions, we have now reached 60% of our \$219,000 goal!**

**Checks can be written to "Menno Museum" and mailed to:  
Menno Museum 512 S 5<sup>th</sup> St Menno, SD 57045**

**Thank you for donating!!!**
